But we still Xerox our body parts
one at a time, just like everyone else.

All humility aside, great writing simply can't be replicated —
no ifs, ands or other body parts about it.

So give your next writing project the royal treatment.
You can be sure it'll go to our heads.

Leave the danger to us. We'll face down the fiercest deadlines with bravado. No bull.

HEROES?
Nah, we're
not heroes.

GARFINKEL + ASSOCIATES

Writers in tights, yes. Not heroes.

Beneath the superhuman exterior, we're just mild-mannered scribes with a higher calling: to use our creative powers for good. It's a burden we're proud to bear. After all, with great writing comes great responsibility.
